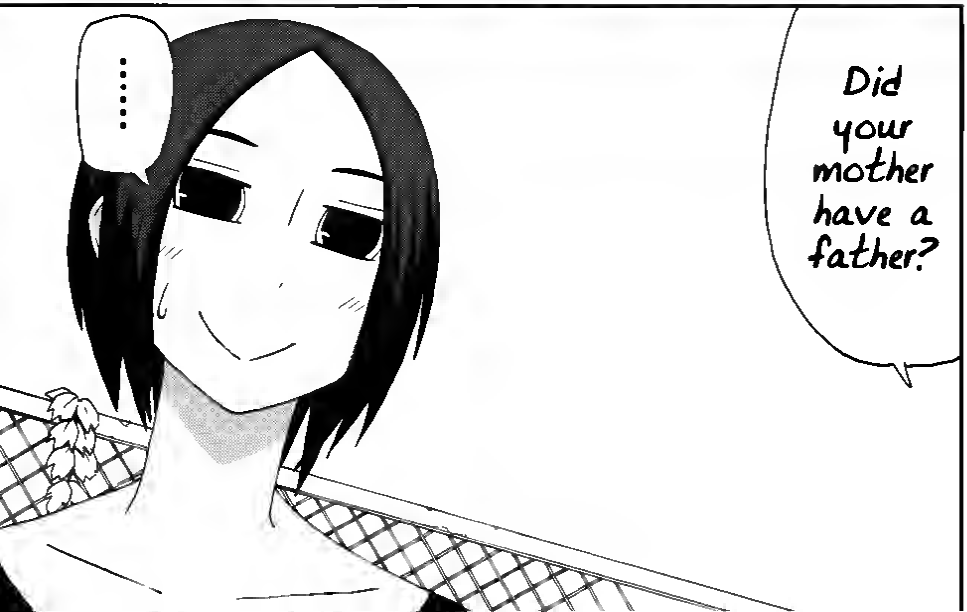
What is it, Minori?



Did your mother have a father?

Kurokawa Kaede. 32 years. Her daughter Minori. 10 years. The journey of two
Your mother's mother's mother's mother did have a father though.
Your mother's mother didn't have a father as well.

Minori! Minori!
HUG!
No, I'm not.

Alone?
You should play in the open with your friends!
Something like that skipping rope game or a unicycle race
But with the console I can play alone even when mother isn't at home!!
A game console!? No! We can't afford such an expensive thing!
EH? ISN'T THAT KURO-KAWA?

By the way, Minori! You're the group leader? Not bad! Not bad at all!
Oh, elementary-schoolers look like adults nowadays. She has boobs!
BYE, GROUP LEADER! DO THE LEADER'S JOB, OKAY?

Aren't those sort of things done together?
To make a report on this city's history by asking people around.
So what's the leader's job?
They all had the same game console, huh?
Are the meals I make bad?
Compared to those kids, Minori looks small.
Don't c m
